**Independent Auditors' Review Report on Unaudited Standalone Financial Results of Manjeera
Constructions Limited for the Quarter and Nine months period ended December 31, 2020
pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)
Regulations, 2015.**

**To The Board of Directors
Manjeera Constructions Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of "Manjeera Constructions Limited" ("the Company") for the Quarter and Nine months period ended December 31, 2020 ("the statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") as amended.
2. This preparation of the Statement is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting standards 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India read with the Circular and in compliance with Regulation 33 of the Listing Regulation. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standards on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatements. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is disclosed, or that it contained any material misstatement.
5. **Emphasis of matter:**
We draw attention to Note 3 to the accompanying Statement which describes the management's evaluation of Covid 19 impact on the business operations and future cash flows of the Company and its consequential effects on carrying value of the assets. In view of the uncertain economic conditions, the management's evaluation of the impact on the subsequent periods is highly dependent upon the conditions as they evolve.

Notes to financial results :

- The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on February 12, 2021. Statutory Auditors of the Company have reviewed and issued a unmodified report.
- These financial results of the Company are prepared in accordance with the recognition and measurement principles laid down in Ind AS Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder.
- Impact of Covid 19:
The outbreak of COVID-19 pandemic globally and in India has caused significant disturbance and slowdown of economic activities. This pandemic has impacted all the major entities in India which are in real estate segment (development and operation of the projects both residential and commercial) economy. Due to the lockdown announced by the Government, the Company's operations were slowed down/suspended for part of the current nine months period ended December 31 2020. Accordingly the accompanying financial results are adversely impacted and not fully comparable with those of the earlier periods.

The Company's management has considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets including property, plant and equipment, investment property, investments, inventories, loans, receivables, land advances and refundable deposits. The Company based on the current estimates expects that the carrying amount of these assets are fully recoverable.

The management has also estimated the future cash flows (after considering the impact of moratorium applied with banks/ financial institutions) with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The Company has availed moratorium offered by lenders as per the RBI Guidelines on principle and interest for the period of 6 Months.

During the Quarter ended December 31 2020, the Company's management has also made a detailed assessment of the progress of construction work on its ongoing projects during the period of lockdown and has concluded that the same was only a temporary slowdown in activities and has accordingly capitalised/ inventorised the borrowing costs incurred in accordance with Ind AS 23.

The Government has initiated steps to lift the lockdown and the Company has resumed its operations gradually. The Company will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.
- During quarter ended December 31 2020, the Company entered into a renegotiated agreement with other entities (related parties) with reference to restructuring of interest expense on the loans availed for the period from July 01, 2020 onwards. As per the re negotiated terms, the Company is also in the process of rescheduling/ restructuring the loans availed from the respective lender entities (related parties). This has resulted in reduction of finance cost for the current quarter / nine months vis - a - vis the previous and corresponding quarter/ nine months ended.
- Statutory Auditors of the Company have drawn emphasis of matter with respect to matter stated in paragraph 3 above in their review report
- These financial results will be made available on the Company's Website viz., www.manjeera.com and website of BSE Limited www.bseindia.com respectively.

G. YOGANAND
CHAIRMAN & MANAGING DIRECTOR

Independent Auditor's Review Report on the Unaudited Consolidated financial results of Manjeera Constructions Limited for the Quarter and Nine Months Period ended December 31, 2020 pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors of Manjeera Constructions Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Manjeera Constructions Limited ("the Parent"), and its subsidiaries (the Parent and subsidiaries together referred to as 'the Group'), and its share of the net profit after tax and total comprehensive income of its associate for the Quarter and Nine months Period ended December 31, 2020 ("the Statement"), attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as amended ('the regulations').
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting standards 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India read with the Circular and in compliance with Regulation 33 of the Listing Regulation. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standards on Review Engagements (SRE) 2410, "Review of the Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. **Basis for Qualified Conclusion:**
We draw attention to note no Note 3 (i) of the accompanying Statement as at December 31, 2020, inventory of properties under development include interest cost on the borrowings capitalised in earlier years aggregating to Rs. 3,055.98 Lakhs which in our opinion, is not in accordance with the requirements of Indian Accounting Standards (Ind AS) 23 "Borrowing Cost". Had the Company followed the accounting principles as laid down under Ind AS 23, the balance of inventories and reserves and surplus as at December 31, 2020 would have been lower by Rs. 3,055.98 Lakhs.
5. This Statement includes the results of the following entities

Subsidiaries:

Manjeera Retail Holdings Private Limited
GM Infra Ventures Private Limited
MTM Estates and Properties Private Limited
Manjeera Developers Private Limited

Associate:

Manjeera Hospitality (Amaravati) Private Limited

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, except for the matter mentioned in the Basis for Qualified Conclusion mentioned here in above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in

accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Emphasis of the matter:

We draw attention to Note 4 to the accompanying Statement which describes the management's evaluation of Covid 19 impact on the business operations and future cash flows of the Group and its consequential effects on carrying value of the assets. In view of the uncertain economic conditions, the management's evaluation of the impact on the subsequent periods is highly dependent upon the conditions as they evolve.

8. The consolidated unaudited financial results includes the interim financial results of three subsidiaries which have not been reviewed by their auditors, whose interim financial results reflects group's share of total revenue of Rs. 66.84 Lakhs, total net profit after tax of Rs. 50.63 Lakhs and total comprehensive income of Rs. 50.63 Lakhs for the nine months period ended December 31, 2020, as considered in the consolidated unaudited financial results. The consolidated unaudited financial results also include the Group's share of net profit after tax of Rs. Nil Lakhs for the nine months period ended December 31, 2020, as considered in the consolidated unaudited financial results in respect of one associate based on their interim financial results which have not been reviewed by their auditors. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

Accordingly, pending final outcome of the proceedings with the committee, no adjustments have been considered necessary for the period ended December 31, 2020.

4 Impact of Covid 19:

The outbreak of COVID-19 pandemic globally and in India has caused significant disturbance and slowdown of economic activities. This pandemic has impacted all the major entities in India which are in real estate segment (development and operation of the projects both residential and commercial) economy. Due to the lockdown announced by the Government, the Company's operations were slowed down/ suspended for part of the nine months and accordingly the accompanying financial results were adversely impacted and not fully comparable with those of the earlier periods.

The Group's management has considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets including Property, Plant and Equipment, Investment property, Investments, Inventories, Loans, Receivables, Land advances and Refundable deposits. The Group based on the current estimate expects that the carrying amount of these assets are fully recoverable.

The management has also estimated the future cash flows (after considering the impact of moratorium applied with banks/financial institutions) with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The Group has availed moratorium offered by lenders as per the RBI Guidelines on principle and interest.

During the quarter ended and nine months ended December 31, 2020 the Group's management has also made a detailed assessment of the progress of construction work on its ongoing projects during the period of lockdown and has concluded that the same was only a temporary slowdown in activities and has accordingly capitalised/ inventorised the borrowing costs incurred in accordance with IndAS 23.

The Group will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.

For recognition of Mall revenue for the quarter and nine months ended December 31, 2020, management has considered certain concession/ relief/ moratorium on rentals extended to its retailers/ licensees for the period of lockdown as well as some further period considering the extended impact of pandemic. Such concessions are determined based on discussions concluded with retailers/ licensees on case to case basis. For cases where discussions have not commenced or are ongoing, the revenue accrual considers the management estimate of most likely agreeable amounts of concession based on its ongoing discussions and its relationships with the retailers/ licensees.

- 5 During nine months period ended December 31, 2020, the Company entered into a renegotiated agreement with other entities (related parties) with reference to interest expense on the loans availed for the period from July 01, 2020 onwards. As per the renegotiated terms, the Company is also in the process of rescheduling/ restructuring the loans availed from the respective lender entities (related parties). This has resulted in reduction of finance cost for the current quarter/ Nine months vis - a - vis the previous corresponding quarter/ nine months.
